

Citizens Business Bank To Donate Over \$350,000 to Local Community Benefit Organizations

April 20, 2020

ONTARIO, Calif.--(BUSINESS WIRE)-- CVB Financial Corp., the holding company for Citizens Business Bank (the "Bank"), announced today that we committed \$355,900 in charitable donations for local community organizations. The majority of the commitments are in response to the immediate need for assistance due to the impact of COVID-19.

The total of \$355,900 is intended for local organizations dedicated to community service including food banks, economic development, and affordable housing in Southern and Central California. The Bank has supported over 300 local nonprofits since their founding 45 years ago, and that generosity is not limited to monetary donations. Each year, Bank employees devote thousands of hours to volunteering for local causes and charitable organizations in the areas we live and work.

The Bank is already in the process of distributing these contributions to multiple organizations, many of which have been severely impacted by the COVID-19 pandemic. "We have significantly increased our overall efforts to support the people and organizations in the communities we serve that need our support the most," said David A. Brager, Chief Executive Officer. "Times are tough right now, and many nonprofits are in immediate need of funding after being affected by the recent downturn. We want to remind our communities that we will get through this together."
