Since 1974, Citizens Business Bank has been creating banking relationships by focusing on our customers and helping them achieve more for their business, their employees, and the communities they serve. Our founder, George A. Borba Sr., was an enterprising dairy farmer and small business owner from Southern California. George saw a need to support other business owners in his community by helping them preserve and enhance the value of their companies. He shared his vision with a group of local business leaders who cared deeply about their community, and together they set out to design a new banking experience.

Chino Valley Bank was established in August of 1974. 49 years later, Citizens Business Bank has grown to approximately \$16 billion in assets with over 60 banking locations and 3 trust offices throughout California. We changed our name to Citizens Business Bank along the way, but we still hold true to our original vision.

We are proud to be in the position to assist entrepreneurs with opportunities to foster and grow their businesses. Our customers' success is our success. We are able to build long-standing relationships with each customer by treating them the way we would want to be treated. In fact, many of our customers have banked with us for decades.

Our unwavering commitment to our Five Core Values of Financial Strength, Superior People, Customer Focus, Cost-Effective Operation, and Having Fun is the reason we are consistently recognized as one of the top-performing banks in the nation.

Our Vision

Citizens Business Bank will strive to become the premier financial services company operating throughout the state of California, serving the comprehensive financial needs of successful small to medium-sized businesses and their owners.

Our Mission

The mission of Citizens Business Bank is to achieve superior performance and rank in the top ten percent of all financial institutions in the nation in return on equity and return on assets. This will be achieved by delivering the finest in financial products and services through relationship banking commitments with businesses and professionals throughout California. It will be supported by an unqualified commitment to our Five Core Values of Financial Strength, Superior People, Customer Focus, Cost-Effective Operation, and Having Fun.

To our Shareholders, Customers, and Associates

2023 in Review

During 2023, Citizens Business Bank has not only remained safe and sound, but also produced earnings that were the second highest in the company's history, despite the difficult operating environment and well-known challenges in the regional banking sector. Net earnings were \$221.4 million for the year ended 2023, compared with \$235.4 million for the year ended 2022. The reduction in our net earnings was due primarily to higher borrowing costs and a one-time FDIC special assessment recorded during the fourth quarter of 2023 to replenish the federal deposit insurance fund.

We continue to be among the industry leaders with respect to expense control, as our efficiency ratio for the full year 2023 was 42%. For the year ended December 31, 2023, return on average assets (ROAA) was 1.35% and return on average tangible common equity (ROATCE) was 18.48%, which compares to a 1.39% ROAA and 18.85% ROATCE for 2022. This also put us in the top quartile for performance on these two metrics relative to our peer financial institutions for 2023.

We reported our 187th consecutive quarter of profitability and paid our 137th consecutive quarterly cash dividend to our shareholders. In 2023, S&P Global Market Intelligence ranked CVB Financial Corp. as the #3 Best-Performing U.S. Public Bank, and we continue our designation as a "Super Premier" Performing Bank by The Findley Reports, our Five-Star Superior rating from BauerFinancial, and our BBB+ rating from Fitch Ratings.

Our Bank has operated in California for 49 years, serving our customers through good and tough times. We have continued to support our customers and communities during periods involving significant financial disruptions, including the unprecedented interest rate hikes in the early 1980s, the Great Recession 15 years ago, and the COVID-19 pandemic. Most importantly, we are a regional and community bank made up of customer-focused, relationship-driven bankers, which means we have historically enjoyed a stable base of long-term and loyal customers. 77% of our customer deposit relationships have banked with us for 3 years or more, while 45% have banked with us for over 10 years.

Our strong financial position has allowed our Bank to continue to support the communities we serve. In 2023, Citizens Business Bank contributed approximately \$1.65 million in donations to a variety of charitable organizations supporting individuals and businesses in our communities. Our Annual Charity Golf Tournaments raised a combined total of \$205,000 in 2023 for community benefit organizations in Orange County and Los Angeles County.

Continued

As we enter 2024, we look forward to celebrating our Bank's 50th anniversary. Founded in August 1974, our Bank has accomplished more than our founders could have imagined over the last five decades, and we remain committed to our strategy of banking the best small and medium-sized businesses and their owners. We work hard to earn and maintain the trust of our customers and business partners. On behalf of our Board of Directors, we thank our associates for their hard work and dedication, our customers for their business and ongoing loyalty, and our shareholders for their continued support and trust.

Hal W. Oswald
Chairman of the Board

Valued Customers

Our founders understood that building long-lasting, genuine relationships with our customers would lead to successful outcomes for the customer and the Bank.

For over 49 years, we have focused on the power of relationship banking to help set us apart from other financial services companies. We strive to build long-term relationships by getting to personally know our customers and providing superior financial solutions to help guide their business to success.

Intertex Companies

Valued Customer Since 2015

Intertex General Contractors was founded in 1982 out of Valencia, California, as a construction business focused on commercial and industrial construction management. Dale Donohoe, CEO, later formed Intertex Property Advisors as a property management business to focus on the development and management of retail, industrial, and office properties. Today, both companies are known by the name Intertex Companies.

Finding a long-term banking partner was an unexpected challenge for Intertex. “The bank we started with in 1982 got rid of middle market banking, so we left. Then, the next bank we moved to went out of business,” explains Dale. In 2015, Dale reached out to Citizens Business Bank to let them know his latest bank had just announced that it was also discontinuing middle market banking, and Intertex Companies was in search of a new banking partner. After the ordeal of moving from bank to bank, Dale was looking for a financial services company with a history of strength that could handle Intertex’s banking needs well into the future. He chose Citizens Business Bank for its record as a top-performing bank and its primary focus on relationship banking.

The partnership between Intertex Companies and Citizens Business Bank has been going strong for nearly a decade, and Dale is pleased with the results and the personalized service he has received. “The team knows us, knows our business, and knows me.” **Commercial Lending** for real estate development has enabled Intertex Companies to expand their footprint throughout California. A **Working Capital Line of Credit** provides Dale’s team with the short-term financing necessary to help keep operations running smoothly. “There’s no surprises in our day-to-day banking, and that’s perfect,” says Dale. “Everything is handled like it’s supposed to, and there’s never been an issue, which is important. It’s reassuring to know I don’t have to worry about my bank.”

*Pictured: **Darcey Oldhafer**, President, Intertex Property Advisors, **Dale Donohoe**, CEO, and **Bob Lyon**, President, Intertex General Contractors*

A photograph of three people standing in front of a modern building with large glass windows and a curved white facade. A woman on the left is wearing a light blue short-sleeved button-down shirt and black pants. A man in the center is wearing a light blue and white plaid short-sleeved shirt and black pants. A man on the right is wearing a dark blue suit jacket over a light blue shirt and dark blue pants. A black rectangular box with white text is overlaid on the upper part of the image.

*“Citizens Business Bank
has taken care of us.”*

“We get the big bank products, while still getting the small bank service.”

Xponential Fitness

Valued Customer Since 2017

Anthony Geisler created Xponential Fitness in 2017 with the intent to grow the brand into a global fitness company. Xponential's success has been remarkable in the last five years, and Anthony expects the company to double in size in the next five years. As the largest boutique fitness company in the world, Xponential Fitness consists of 11 boutique health and wellness brands across 23 countries. They open a new store every 15 hours, adding to more than 3,000 total locations.

Anthony has maintained a banking relationship with Citizens Business Bank since his company's inception, and he is appreciative of the personalized service he frequently receives. "It's normal for Bryan Reese, our Relationship Manager, to stop by our office just to check in," comments Anthony. "I feel like we have an in-house banker. We like the hometown, small-business local feel of Citizens Business Bank. We get that from our Relationship Manager." Xponential Fitness uses a full suite of **Treasury Management** solutions, including **Remote Deposit Capture** for conveniently depositing checks and **Positive Pay** services that help Anthony's team prevent check fraud.

When Xponential is looking to open a new **Line of Credit**, Anthony has reassurance that he can call his Relationship Manager any time to initiate the process. Citizens Business Bank has been there for Anthony and Xponential every step of the way, from providing financial services that have supported Xponential's acquisitions, to meeting their specific banking needs when the private company went public in 2021. With ongoing support from the Bank, Xponential Fitness plans to continue their impressive growth well into the future.

Oak Creek Dairy

Valued Customer Since 2019

The De Hoog family has been operating dairy farms in California since the 1950s. Their wholesale dairy farm business originally started in Artesia, California before relocating to a 38-acre facility in Chino, California. In 2019, Joe De Hoog, partner in Michael De Hoog Dairy, LP now doing business as Oak Creek Dairy, had grown weary of the large bank they used for their day-to-day operations, which was winding down its involvement in agriculture. Joe, along with his wife Joy, were looking for a banking partner that understood their industry and was familiar with all of the financial services required for a dairy farm business, while assisting in their ongoing growth.

The De Hoog family met with Citizens Business Bank's Dairy & Livestock Industries Group in 2018 to discuss the future of their dairy farm, beginning a new business banking relationship in early 2019. A **1031 Exchange** for the De Hoog's facility in Chino allowed the family to purchase a 700-acre dairy farm in Merced, California, in addition to leasing another 650 acres nearby. "The team is knowledgeable about costs and needs in the dairy industry," says Joe. "They explained to us that a lot can happen on a new dairy, and their team worked with us to prepare for the unexpected." Oak Creek Dairy began implementing services that were specifically tailored to a newly opened and growing dairy farm, starting with an increased **Line of Credit**. "Without their advice," adds Joe, "we'd be struggling."

Today, Oak Creek Dairy encompasses 865 acres of farmland with more than 6,000 animals under their care, including 3,300 mature cows. The dairy farm relies on a **Dairy Operating Line of Credit, Equipment Term Loans,** and **Online Banking** to keep their day-to-day operations running smoothly. As the De Hoog family continues to grow their dairy business, they plan to work closely with the Dairy & Livestock Industries Group for all of their business banking needs.

Pictured: Joe De Hoog, Managing Partner, and wife, Joy De Hoog

“Every time I go to the Dairy & Livestock Industries Group, it’s been a positive experience.”

“Our Relationship Manager was instrumental in helping us put things together.”

Greg's Petroleum Service

Valued Customer Since **2009**

Greg's Petroleum Service opened in 1961 when Ron Mariani's father-in-law, Harold "Greg" Gregory, purchased an oil distributor in Delano, California. Ron Mariani, President & CEO, started working for the company as a fuel truck driver in 1979, before eventually buying the business himself after his father-in-law retired in 1990. In the decades that followed, the company experienced significant growth under Ron's leadership. Today, Greg's Petroleum Service consists of four segments: the fuel delivery business, a dedicated lubricants supplier, a cardlock program for fleet fueling, and the retail gasoline business.

In 2009, Citizens Business Bank acquired Greg's Petroleum Service's long-time bank. "We were suddenly a customer of Citizens Business Bank," says Ron. "We read up on the Bank, and I asked around because I was unfamiliar with the company. I kept hearing, 'You're in great hands. Stick with them.' So, we did. And it continued to grow into a great relationship." Ron's first goal after moving over to Citizens Business Bank was to renew all of his companies' **Lines of Credit**. He worked closely with his Relationship Manager to successfully obtain the renewals.

When Ron was ready to expand to a new facility in Bakersfield, California, he reached out to the Bank again to secure **Commercial Real Estate Financing**. "Our Relationship Manager really helps us when we are doing a difficult, complicated loan," mentions Ron. "They were instrumental in helping us put things together." **Acquisition Financing** allowed Greg's Petroleum Service to purchase another oil company in order to grow their geographic footprint. An **Asset-Based Line of Credit** and **Equipment Financing** were vital to their ability to keep operations running smoothly. As Greg's Petroleum Service continues their growth, Ron plans to continue going to Citizens Business Bank for their long-term banking and lending needs.

*Pictured: **Ron Mariani**, President & CEO, and **Greg Mariani**, General Manager*

Akash Management

Valued Customer Since 2011

Akash Management LLC was formed in 2014 to oversee operations of local franchise restaurants such as Carl's Jr., Pieology Pizzeria, Wingstop, and others. Later that same year, Amir Siddiqi, Owner & CEO, was already looking to expand the business. Amir had established a relationship with Citizens Business Bank in 2011 when he helped his friend obtain a loan for their restaurant. When the time came to open accounts for his own business, Amir recalled his positive experience and reached out to his contact at the Bank.

"We met with the Relationship Manager, and he asked us all the right questions to help us build our business model," says Amir. With just five restaurants under their control in 2014, Akash Management obtained **Commercial Real Estate Financing** for their continued growth and expansion. Amir's venture quickly saw success, and the business grew to over 150 restaurants in under two years. Akash Management works with other banks too, which gives Amir perspective on his relationship with Citizens Business Bank. "At Citizens Business Bank, I can text or call our Relationship Manager and even the CEO just to congratulate one another on a big win. No other bank I know comes close to that. They really value relationships."

Today, Akash Management operates more than 250 restaurants along the West Coast. They use a full suite of **Treasury Management** services for each of their locations, which helps to efficiently manage cash flow and prevent fraud. Akash Management also maintains **Commercial Financing** for their continued expansion and acquisition of new restaurants. "The Bank knows you," explains Amir. "They understand how we operate and how our business will look in six months. They're investing with us."

Pictured: Amir Siddiqi, Owner & CEO, and Jazmyn Carpenter, Accounting Manager

“The Bank treats you as a business partner and understands what you do.”

*“It feels like Citizens Business Bank
is in the customer’s corner.
They go to bat for us.”*

M.D. Atkinson Company, Inc.

Valued Customer Since 2000

Headquartered in Bakersfield, California, M.D. Atkinson Company, Inc. serves as a third-party fee manager for property management. They manage properties throughout Southern California and Central California for clients in office, retail, commercial, industrial, residential, and homeowners associations. M.D. Atkinson was founded in 1982 and has been a valued partner of Citizens Business Bank for more than 20 years. “I’ve known the CEO, Dave Brager, since he was a Regional Manager for the Central Valley,” says Melvin Atkinson, President & CEO of M.D. Atkinson. “Any time there’s an issue, Dave is on it.”

In 2018, M.D. Atkinson purchased their largest competitor, a property management company. “The acquisition was a complex transition to get control of,” explains Mel, “but behind the scenes, our Relationship Manager, Scott Begin, made it extremely simple to transition the banking services. I was shocked at how smooth the process was.” As the company continues to grow, Mel’s team relies on Citizens Business Bank to provide customized financial solutions to fit their unique needs. M.D. Atkinson has implemented **Treasury Management** services, such as **Remote Deposit Capture** that enables the team to conveniently deposit incoming checks from the comfort of their offices. “We collect rent for lots of different clients, and we need the flexibility,” states Mel.

M.D. Atkinson is also a customer of Citizens Business Bank’s **Specialty Banking Group**, where they have established Property Management accounts for services tailored to their industry. The business regularly opens trust accounts for a significant number of clients, and Mel had sought a way to make the process less time-consuming. “Our Relationship Manager got involved and made that a much smoother situation. They’ve been instrumental in streamlining the process,” says Mel. “The cooperation and customer service are what stands out the most to me.”

Community Commitment

At Citizens Business Bank, we are passionate about our communities, and it shows. Each year, our associates dedicate thousands of hours of their own time to local organizations and charitable causes in the communities we live and serve.

We are committed to strengthening our communities by offering superior financial services, establishing partnerships with local organizations, and consistently encouraging volunteerism at every level of the Bank. Our goal is to make a positive difference in the places we live and work, so current generations can experience a higher quality of life, and future generations can inherit a better world.

Total Amount
Donated in 2023

Clearinghouse CDFI

B BOLD(ER) Internship Program

The purpose of the Clearinghouse Community Development Financial Institution (CCDFI) B BOLD(ER) Internship Program is to invest in tomorrow's leaders. Clearinghouse CDFI college interns benefit from exposure to a professional setting, access to positive role models, and receiving real-life job skills that help build a solid foundation for future success. Citizens Business Bank was the Legacy funder for the B BOLD(ER) Internship Program, providing capacity-building resources to develop and launch the program, and hosted the program's first onsite intern in 2022. The program offers paid internships and scholarships to low-to-moderate income college students. The Bank hosted another intern in 2023 and has already agreed to host a third onsite intern during the summer of 2024. College students participate in a combination of virtual workshops presented by subject-matter experts and on-site experiences. Workshop topics include career exploration/preparedness, financial wellness, community development, and office skills. Tasks may include research, outreach, marketing, affordable homeownership work, networking, loan servicing, Community Reinvestment Act documentation, and more. In addition, interns interact with dozens of professionals to begin their network. The internship may be eligible for academic credit depending on the academic program's internship criteria.

Youth Business Alliance

Financial Sports Program

Financial education is a preventative measure that can lead to more responsible financial management, helping young people make wiser decisions about debt, savings, credit, and investing. Like football, successful financial management requires strategy, discipline, and endurance. In 2023, Citizens Business Bank continued its partnership with Youth Business Alliance to grow the Financial Sports Program, teaching personal financial management principles to low-to-moderate income youth. The Financial Sports Program is presented as an interactive, educational video game designed to help students test their knowledge of personal finance in a fun, competitive, learning environment using football. The program continues to receive enthusiastic positive feedback from students and school administrators as an effective learning model.

Mission Community Services Corporation

(MCSC) Kern Women's Business Center

MCSC hosts the Women's Business Center in Kern County by helping women, low-income, minority, and nonprofit businesses gain the knowledge they need to start and run successful businesses. They offer business start-up classes, monthly workshops, and free business consulting with special assistance for women, low-income, minority, veterans, and nonprofit businesses. The Bank provided \$10,000 in funding to support MCSC's small business opportunities for potential entrepreneurs and small business owners to become self-sustaining, successful contributors to their communities. Bank associates also volunteered to provide small business and financial education workshops to the participants.

California Hispanic Chamber of Commerce

(CHCC) Programa Hispano

The CHCC and its network of over 100 chambers and associations represent the interest of California's 815,000 Hispanic-owned businesses. Through its advocacy, education, and empowerment programs, the CHCC brings California's small business community's issues and needs to the forefront of the California and National economic agendas. The Bank provided \$10,000 in funding to support the California Hispanic Regional SBDC - Programa Hispano. Bank associates also volunteered, providing in-person and virtual small business and financial education workshops in 2023.

Big Brothers Big Sisters

Workplace Mentoring Program

The Bank is building the next-generation workforce supporting Big Brothers Big Sisters (BBBS) of Orange County and the Inland Empire by providing low-to-moderate income college students a Workplace Mentoring Program. Focused on developing financial literacy skills, increasing soft skills, and supporting college/career readiness, Bank executive officers and managers volunteer to educate, teach, and coach college students about banking and the financial services industry during an eight-month program. Various volunteer associates from the Bank coordinated their schedules to provide individual mentoring to each of the low-to-moderate income youth. This unique program enables students to be given one-on-one attention with a mentor who provides professional support. Two Bank associates were recognized by BBBS as Mentors of the Year for their outstanding service throughout 2023.

Inland SoCal United Way

211 Careers Program

Entering its fourth year of collaboration, the Bank continues to partner with Inland SoCal United Way (ISCUW) and its 211 Careers Program to assist low-to-moderate income individuals to enter or re-enter the workforce by providing one-on-one resume reviews along with mock interview sessions. The Bank provided \$32,500 in donations in 2023 in support of this critical program to residents in the Inland Empire. Some of the participants have been previously involved in the criminal justice system and require special attention to help them return to the workforce. Each month, the Bank makes ten sessions available to ISCUW, with two Bank volunteers per session to help address ISCUW's clients' individual needs. Citizens Business Bank associates participated in over 450 hours of volunteer service under this program.

Community Service Employment Training

(CSET) Biz Hub

The Bank provided a \$15,000 donation to support CSET's micro and small business development program, Biz Hub, and a new Workforce and Business Lab for CSET's Navigation Center. The Biz Hub program is a unique hybrid program to help low-income Tulare County entrepreneurs achieve their dreams by providing business development assistance, financial literacy education, coaching, micro-loans, and resource navigation services in several languages. The Business Lab also assists low-income individuals with workforce development needs and will prepare them to gain job opportunities and become self-sufficient. The Workforce and Business Lab provides computers, presentation equipment, and office supplies for job seekers to create resumes and participate in workshops taught by CSET's professional Career Coaches, preparing them to re-enter the workforce.

The Citizens EXPERIENCE

The Citizens Experience is the difference between simply meeting our customers' needs and ensuring we have exceeded their expectations. It is our way of recognizing the associates who go above and beyond to deliver exceptional service.

As part of the Citizens Experience program, the prestigious Borba Cup is awarded annually to an associate who exemplifies our Core Values and demonstrates a deep commitment to high-quality customer service. For 2023, the Borba Cup was awarded to Francisco Estrada, Assistant Vice President and Service Manager for the Camarillo Business Financial Center.

Leadership Team

With an average banking experience of more than 36 years, Citizens Business Bank's leaders form the foundations of success for the entire company. As individuals, each member of the leadership team contributes distinct perspectives and unique business and financial experience to the Bank. As a team, they're at the forefront of driving organizational growth, and their focus is on the long-term success of the Bank, our customers, our associates, and the communities we serve.
