Item 3. Incorporation of Documents by Reference

The following documents filed by the Registrant with the Commission are incorporated herein by reference:

(a) Annual Report on Form 10-K filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), containing audited financial statements for Registrant's fiscal year ended December 31, 2007, filed with the Commission on February 29, 2008 and amended on March 6, 2008.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purposes of this registration statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

Item 4. Description of Securities

Under the Plan, the Registrant (or the Registrant's wholly owned subsidiary, Citizens Business Bank, as the "Participating Employer," if the Registrant is not the Participant's employer) will provide certain employees or independent contractors who have been designated by the Compensation Committee of the Board of Directors (the "Committee") as a participant in the Plan (each a "Participant" and collectively, the "Participants") the opportunity to defer receipt of compensation from the Registrant by a percentage specified in each Participant's "Participant Deferral Agreement." The "Participant Deferral Agreement" is a written agreement between the Registrant (or the Participating Employer) and the Participant which sets forth the terms of a Participant's deferred compensation arrangement. The securities being registered represent obligations (the "Obligations") of the Registrant (or the Participating Employer) under the Plan to pay to the Participants the value of the deferred compensation in the future.

Each Participant is eligible to defer up to a maximum of 75% of his or her base salary and 100% of each of his or her performance-based compensation, other bonus, any commission, and any independent contractor compensation, as long as the Participant defers a minimum of \$2,000. The election to defer receipt of compensation must be made by January 1 of the year prior to the year in which the compensation is paid.

Each Participant's deferred compensation is credited to a book reserve account called a "Deferred Compensation Account" on any business day on which the Participant's deferral is received by the Registrant. The Deferred Compensation Account is credited with an investment return determined as if the account were invested in one or more investment funds made available by the Committee (as such investment choices may change from time to time). The investment election of the Participant remains in effect until a new election is made by the Participant. If a Participant fails to make an election, the investment return will be determined by the Committee. The Plan does

not provide for any fixed or guaranteed rate of return on compensation deferred by Participants. The Registrant (or the Participating Employer) does not guarantee the performance of any of the investment measurement options available to Participants under the Plan, nor does it guarantee any minimum return or payments to any Participant, which may be more or less than the amount(s) of compensation that a Participant elected to defer.

Any benefit payable under the Plan upon a “Qualifying Distribution Event” (the events listed below) may be made to the Participant or his beneficiary (as applicable) in any of the following payment forms, as selected by the Participant in his or her Participant Deferral Agreement:

<u>Qualifying Distribution Event</u>	<u>Forms of Payment</u>
Separation from Service other than Retirement (Retirement is defined by the Registrant)	A lump sum in cash as soon as practicable following the date of the Qualifying Distribution Event.
Separation from Service due to Retirement	Approximately equal annual installments over a term certain as elected by the Participant upon his entry into the Plan not to exceed 15 years.
Death	(a) A lump sum in cash upon the date of the Qualifying Distribution Event; or (b) Approximately equal annual installments over a term certain as elected by the Participant upon his entry into the Plan not to exceed 15 years. This election will only apply if the participant has attained age 55 upon this distribution event.
Disability	(a) A lump sum in cash upon the date of the Qualifying Distribution Event; or (b) Approximately equal annual installments over a term certain as elected by the Participant upon his entry into the Plan not to exceed 15 years. This election will only apply if the participant has attained age 55 upon this distribution event.
Change in Control	(a) A lump sum in cash upon the date of the Qualifying Distribution Event; or (b) Approximately equal annual installments over a term certain as elected by the Participant upon his entry into the Plan not to exceed 15 years.

Each Participant may elect in his or her Participant Deferral Agreement the method under which the vested balance in the Deferred Compensation Account will be distributed from among the designated payment options. Payment is made in the manner elected by the Participant and commences upon the date of the Qualifying Distribution Event. A payment is treated as having been made upon the date of the Qualifying Distribution Event if it is made on such date or a later date within the same calendar year or, if later, by the 15th day of the third calendar month following the Qualifying Distribution Event. A payment may be further delayed to the extent permitted in accordance with regulations and guidance under Section 409A of the Internal Revenue Code. The Participant may elect a different method of payment for each Qualifying Distribution Event.

If the Participant elects the installment payment option, the payment of each annual installment shall be made on the anniversary of the date of the first installment payment, and the amount of the annual installment shall be adjusted on such anniversary for credits or debits to the Participant’s Deferred Compensation Account. In the event the Participant fails to make a valid election of the payment method, the distribution will be made in a single lump sum payment upon the Qualifying Distribution Event.

Participants may elect upon initial enrollment to have accounts distributed upon a change in control. The Registrant intends to establish a “rabbi” trust for the purpose of setting aside assets of the Registrant contributed thereto for the payment of benefits under the Plan upon the occurrence of a change in control. If the Registrant terminates the Plan within thirty days preceding or twelve months following a change in control, the Deferred Compensation Account of each Participant will become fully vested and payable to the Participant in a lump sum within twelve months following the date of termination.

The Obligations are unfunded and unsecured general obligations of the Registrant (or the Participating Employer) and rank pari passu with other unsecured and unsubordinated indebtedness of the Registrant (or the Participating Employer). The Obligations may not be sold, assigned, pledged, mortgaged, hypothecated, alienated, encumbered or in any way transferred or conveyed in advance of receipt. Any attempt by any person to transfer or assign benefits under the Plan other than a claim for benefits by a Participant or his or her beneficiary(ies), will be null and void. There is no trading market for the Obligations. The Obligations are not convertible into any other security of the Registrant (or the Participating Employer). No trustee has been appointed having authority to take action with respect to such Obligations and each Participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any requests for consents, waivers or amendment pertaining to the Obligations, enforcing covenants and taking actions upon default.

The Registrant, in its discretion, may terminate the Plan and distribute benefits to Participants subject to the following requirements: (a) all arrangements sponsored by the Registrant that would be aggregated with the Plan are terminated, (b) no payments, other than payments that would be payable under the terms of the Plan if the termination had not occurred, are made within 12 months of the termination date, (c) all benefits under the Plan are paid within 24 months of the termination date, and (d) the Registrant does not adopt a new arrangement that would be aggregated with the Plan providing for the deferral of compensation at any time within five years following the date of termination of the Plan.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

CVB Financial Corp. is incorporated under the California General Corporation Law. Section 317 of the California General Corporation Law (“Section 317”) provides a statutory framework covering indemnification of any officer or director who has been or is threatened to be made a party to any legal proceeding by reason of his or her service on behalf of the Registrant. Section 317 provides that indemnification against expenses actually and reasonably incurred shall be made to any officer or director who has been successful on the merits with respect to the defense of any proceeding but does not require indemnification in other circumstances.

Section 317 provides that a corporation may indemnify any agent of the Registrant including officers and directors against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in a third party proceeding against such person by reason of that person’s service on behalf of the Registrant, provided the person acted in good faith and in a manner that the person reasonably believed to be in the best interests of the Registrant.

Section 317 further provides that the Registrant may indemnify any agent who was or is a party or is threatened to be made a party to any threatened, pending or completed action by or in the right of the Registrant against expenses actually and reasonably incurred by the agent in connection with the defense or settlement of such action, provided that the person acted in good faith and in a manner the person believed to be in the best interests of the Registrant and its shareholders. However, in actions brought by or in the right of the Registrant, indemnification is not available without court approval for amounts paid in settling or otherwise disposing of a pending action or expenses incurred in defending a pending action which is disposed of by settlement or otherwise. Further, with respect to matters for which the agent shall have been adjudged to be liable to the Registrant, indemnification for expenses is permissible only to the extent the court shall determine that the agent is fairly and reasonably entitled to indemnification.

In addition, Section 317 provides that the indemnification provided by the statute is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, to the extent additional rights are authorized in the Registrant’s Articles of Incorporation. Section 317 permits the advancing of expenses incurred in defending any proceeding against an agent of the Registrant by reason of that person’s service on behalf of the Registrant upon the giving of an undertaking, or promise, by the indemnified person to repay those sums in the event it is later determined that the person is not entitled to be indemnified. Finally, Section 317 permits the Registrant to procure insurance on behalf of its directors, officers, and other corporate agents against liability asserted against or incurred by these individuals even if the Registrant would not otherwise have the power under applicable law to indemnify them for their expenses. The Registrant’s Articles of Incorporation and Bylaws, as amended respectively, authorize the Registrant

to indemnify its agents to the fullest extent permitted under California law. The Registrant has also adopted indemnification agreements in order to implement the Articles of Incorporation and Bylaws. The Registrant also maintains directors' and officers' liability insurance.

Item 7. Exemption from Registration Claimed

Item 9. Undertakings

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no greater than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) herein do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bonafide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to the directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by final adjudication of such issue.
