Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

CVB Financial Corp. is incorporated under the California General Corporation Law. Section 317 of the California General Corporation Law ("Section 317") provides a statutory framework covering indemnification of any officer or director who has been or is threatened to be made a party to any legal proceeding by reason of his or her service on behalf of the Registrant. Section 317 provides that indemnification against expenses actually and reasonably incurred shall be made to any officer or director who has been successful on the merits with respect to the defense of any proceeding but does not require indemnification in other circumstances.

Section 317 provides that a corporation may indemnify any agent of the Registrant including officers and directors against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in a third party proceeding against such person by reason of that person's service on behalf of the Registrant, provided the person acted in good faith and in a manner that the person reasonably believed to be in the best interests of the Registrant.

Section 317 further provides that the Registrant may indemnify any agent who was or is a party or is threatened to be made a party to any threatened, pending or completed action by or in the right of the Registrant against expenses actually and reasonably incurred by the agent in connection with the defense or settlement of such action, provided that the person acted in good faith and in a manner the person believed to be in the best interests of the Registrant and its shareholders. However, in actions brought by or in the right of the Registrant, indemnification is not available without court approval for amounts paid in settling or otherwise disposing of a pending action or expenses incurred in defending a pending action which is disposed of by settlement or otherwise. Further, with respect to matters for which the agent shall have been adjudged to be liable to the Registrant, indemnification for expenses is permissible only to the extent the court shall determine that the agent is fairly and reasonably entitled to indemnification.

In addition, Section 317 provides that the indemnification provided by the statute is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, to the extent additional rights are authorized in the Registrant's Articles of Incorporation. Section 317 permits the advancing of expenses incurred in defending any proceeding against an agent of the Registrant by reason of that person's service on behalf of the Registrant upon the giving of an undertaking, or promise, by the indemnified person to repay those sums in the event it is later determined that the person is not entitled to be indemnified. Finally, Section 317 permits the Registrant to procure insurance on behalf

of its directors, officers, and other corporate agents against liability asserted against or incurred by these individuals even if the Registrant would not otherwise have the power under applicable law to indemnify them for their expenses.

The Registrant's Articles of Incorporation and Bylaws, as amended respectively, authorize the Registrant to indemnify its agents to the fullest extent permitted under California law. The Registrant has also adopted indemnification agreements in order to implement the Articles of Incorporation and Bylaws. The Registrant also maintains directors' and officers' liability insurance.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no greater than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

Table of Contents

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) herein do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to the directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by final adjudication of such issue.

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Ontario, State of California, on June 18, 2008.
