I. PURPOSE OF THE COMMITTEE

The purpose of the Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) shall be to oversee the Company’s compensation and employee benefit plans and practices, including its executive and Board compensation plans and its incentive-compensation and equity-based plans, and to approve the preparation of an annual report on executive and Board compensation for inclusion in the Company’s proxy statement, in accordance with all applicable rules and regulations. The Committee shall serve as the Compensation Committee of CVB Financial Corp. and Citizens Business Bank (collectively, the “Company”).

II. COMPOSITION OF THE COMMITTEE

The Committee shall consist of three or more directors. Each member of the Committee shall be independent in accordance with the rules of The NASDAQ Stock Market Listing Rule 5605(a)(2) and the Company’s independence guidelines (“Independent Directors”).

Members of the Committee shall also qualify as “non-employee directors” within the meaning of Rule 16b-3(b)(3) promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and shall satisfy any other necessary standards of independence under the federal securities and tax laws, as amended from time to time.

The Company’s independence guidelines require that the Board take into account the following in order to determine whether a director’s judgment would be impaired as a member of the Compensation Committee:

- Whether the director has accepted, directly or indirectly, any consulting, advisory or other compensation fee, other than for board service, from the Company or any subsidiary of the Company; and
- Whether the director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company.

The members of the Committee shall be nominated by the Board and elected annually to one-year terms by majority vote of the Board at the first organizational meeting of the Board to be held following the Company’s annual meeting of shareholders. Vacancies on the Committee shall be filled by majority vote of the Board at a subsequent meeting of the Board following the occurrence of the vacancy. No member of the Committee shall be removed except by majority vote of the Independent Directors then in office.

III. MEETINGS AND PROCEDURES OF THE COMMITTEE

The Committee shall meet at least four times annually or more frequently as circumstances require. The Board shall designate one member of the Committee as its Chairperson, and a Vice-Chairperson may be designated from time to time in the Committee's discretion to act as Chairperson in the absence or incapacity of the Chairperson. The Chairperson of the Committee or a majority of the members of the Committee may also call a special meeting of the Committee. A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other shall constitute a quorum.

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; provided, however, that no subcommittee shall consist of fewer than two members; and provided further that the Committee shall not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Committee as a whole. The Committee may delegate to management or any management committee the setting, review and approval of compensation for those officers and other employees of the Company who are not executive officers. The Committee may request that any directors, officers or employees of the Company, or other persons whose advice and counsel are sought by the Committee, attend any meeting of the Committee to provide such pertinent information as the Committee requests. The President and Chief Executive Officer may not be present during deliberations or voting concerning his or her own compensation.

Following each of its meetings, the Committee shall deliver a report on the meeting to the Board of Directors of the Company, including a description of all actions taken by the Committee at the meeting. The Committee shall keep written minutes of its meetings, which minutes shall be maintained with the Corporate Secretary in the books and records of the Company.
