**PROXY STATEMENT FOR
CVB FINANCIAL CORP.
701 North Haven Avenue, Suite 350
Ontario, California 91764
(909) 980-4030**

This proxy statement contains information about the annual meeting of shareholders of CVB Financial Corp. to be held on Wednesday, May 15, 2002 beginning at 7:00 p.m., local time, at the Ontario Convention Center, 2000 Convention Center Way, Ontario, California 91764, and at any postponements or adjournments of the meeting.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why Did You Send Me This Proxy Statement?

We sent you this Proxy Statement and the enclosed proxy card because the Board of Directors is soliciting your vote at the 2002 Annual Meeting of Shareholders.

This proxy statement summarizes the information you need to know to cast an informed vote at the meeting. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We will begin sending this proxy statement, notice of annual meeting and the enclosed proxy card on or about April 3, 2002 to all shareholders entitled to vote. The record date for those entitled to vote is March 20, 2002. On March 20, 2002, there were 34,881,845 shares of our common stock outstanding. Common stock is our only class of stock outstanding. We are also sending our Annual Report on Form 10-K to shareholders for the year ended December 31, 2001 along with this proxy statement.

How Do I Vote By Proxy?

Whether you plan to attend the meeting or not, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the meeting and vote.

If you properly fill in your proxy card and send it to us in time to vote, your "proxy" (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors as follows:

- "FOR" the election of all seven nominees for director; and
- "FOR" ratification of the appointment of Deloitte & Touche as independent accountants for 2002.

If any other matter is presented, your proxy will vote in accordance with the recommendation of the Board of Directors, or, if no recommendation is given, in their own discretion. At the time this proxy statement went to press, we knew of no matters which needed to be acted on at the meeting, other than those discussed in this proxy statement.

How Many Votes Do I Have?

Each share of common stock entitles you to one vote. The proxy card indicates the number of shares of common stock that you own. However, in the election of directors, you are entitled to cumulate your votes if you are present at the meeting, the nominee's(s') name(s) have properly been placed in nomination, and a shareholder has given notice at the meeting prior to the actual voting of his intention to vote his shares cumulatively. Cumulative voting allows you to give one nominee as many votes as is equal to the number of directors to be elected, multiplied by the number of shares you own, or to distribute your votes in the same fashion between two or more nominees. The return of an executed proxy grants the Board of Directors the discretionary authority to also cumulate votes.

Can I Change My Vote After I Return My Proxy Card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised if you file with CVB Financial's Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How Do I Vote In Person?

If you plan to attend the meeting and vote in person, we will give you a ballot form when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a legal proxy from your broker, bank or other nominee to vote the shares at the meeting.

What Constitutes A Quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting. Proxies which are marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting.

What Vote Is Required For Each Proposal?

The seven nominees for director who receive the most votes will be elected. So, if you do not vote for a particular nominee or you indicate "withhold authority to vote" for a particular nominee on your proxy card, your vote will not count either "for" or "against" the nominee. In order to ratify the selection of independent accountants, the proposal must receive the affirmative vote of a majority of the votes represented and voting at the annual meeting which also must be at least a majority of the required quorum. So, if you "abstain" from voting, it will have no effect.

What Are The Costs of Solicitation of Proxies?

We will bear the costs of this solicitation, including the expense of preparing, assembling, printing and mailing this Proxy Statement and the material used in this solicitation of proxies. The proxies will be solicited principally through the mails, but CVB Financial's

directors, officers and regular employees may solicit proxies personally or by telephone. Although there is no formal agreement to do so, we may reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expense in forwarding these proxy materials to their principals. In addition, we may pay for and utilize the services of individuals or companies we do not regularly employ in connection with the solicitation of proxies.

The Board of Directors and Committees

The Board of Directors oversees our business and affairs. The Board also has seven (7) standing committees including an Audit Committee, a Personnel Committee and a Stock Option Committee all of which, except for the Stock Option Committee, are also committees of Citizens Business Bank. The Board does not have a nominating committee. The procedures for nominating directors, other than by the Board of Directors itself, are set forth in the bylaws and reprinted in the Notice of Annual Meeting of Shareholders.

Audit Committee

The audit committee of the board is composed of four (4) members and operates under a written charter adopted by the board of directors. The responsibilities of the audit committee are contained in the Audit Committee Report. The audit committee met thirteen (13) times during fiscal year 2001 and consisted of Messrs. John Borba, Kruse, LoPorto and Seley. Each of the members is "independent," as defined by our policies and the Nasdaq listing standards.

Audit Committee Report

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filings under the Securities Act of 1933 or under the Securities Act of 1934, except to the extent we specifically incorporate this Report by reference.

The audit committee reports to the board and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process of CVB Financial Corp.

The Audit Committee Charter adopted by the board sets out the responsibilities, authority and specific duties of the audit committee.

Pursuant to the charter, the audit committee has, among others, the following responsibilities:

- To monitor the preparation of quarterly and annual financial reports;
- To review the adequacy of internal control systems and financial reporting procedures with management and independent auditors, including internal audit plans;
- To review the general scope of the annual audit and the fees charged by the independent auditors; and
- To review significant findings reported by bank regulators and management's responses to such findings.

In discharging its oversight responsibility the audit committee has met and held discussions with management and Deloitte & Touche, LLP, the independent auditors for CVB Financial Corp. Management represented to the audit committee that all consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the audit committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The audit committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (*Communications with Audit Committees*).

The audit committee also obtained from the independent auditors a formal written statement describing all relationships between CVB Financial Corp. and the auditors that bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committee*. The audit committee discussed with the independent auditors any relationships that may impact on the firm's objectivity and independence and satisfied itself as to the auditors' independence.

Based on these discussions and reviews, the audit committee recommended that the Board of Directors approve the inclusion of CVB Financial Corp.'s audited consolidated financial statements in the Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

Management is responsible for our financial reporting process including our system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Our independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of CVB Financial or its subsidiaries and we may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on CVB's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that CVB's financial statements are presented in accordance with generally accepted accounting principles, that the audit of CVB's financial statement has been carried out in accordance with generally accepted auditing standards or that CVB's independent accountants are in fact "independent."

Respectfully submitted by the members of the audit committee of the Board of Directors:

Dated: March 20, 2002

Employment Agreement with Our President and Chief Executive Officer

On August 8, 1991, we entered into a renewing one year employment agreement with Mr. Wiley which sets forth his compensation as President and Chief Executive Officer of CVB Financial and Citizens Business Bank. The agreement provides for an annual base salary of at least \$300,000. Mr. Wiley’s base salary for 2001 was \$420,000. This base salary is reviewed and adjusted on an annual basis at the discretion of the Board of Directors. The agreement further provides for Mr. Wiley to receive an annual bonus of \$200,000 for each year after 1991, although Mr. Wiley’s actual bonus may be more or less than \$200,000 depending on the attainment of certain performance goals. In the event there is a change in control of CVB Financial, or Mr. Wiley is terminated for any reason, other than for cause, he is entitled to receive a sum equal to one year’s base salary at the rate being paid to him at the time he is terminated, unless he accepts employment with the acquiring company. Additionally, the agreement provides for certain other benefits, including an option grant, which was made in 1991, the use of an automobile, a country club membership, participation in the Bank’s Profit Sharing Plan and medical and life insurance benefits.

In addition, pursuant to the terms of our 1991 Stock Option Plan and 2000 Stock Option Plan, upon a reorganization, merger, or consolidation of CVB Financial with one or more corporations as a result of which we will not be the surviving or resulting corporation, or a sale of substantially all the assets of CVB Financial to another person, or a reverse merger in which we are the surviving corporation but the shares of our stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, all outstanding options Mr. Wiley may hold under the our 1991 and 2000 Stock Option Plans, whether vested or not vested, will become immediately exercisable.

Severance Compensation Agreements with Certain Other Executive Officers

In September 2001, Citizens Business Bank entered into severance compensation agreements with its executive officers (other than Mr. Wiley) which replaced the severance compensation agreements entered into in March 2001 between Citizens Business Bank and its executive officers (other than Mr. Wiley). These agreements provide that in the event a "Change of Control," as described below, occurs during the executive's employment and (i) the executive's employment is terminated by us or Citizens Business Bank or any successor, other than for cause, within one year of the completion of such Change of Control, or (ii) the executive terminates or resigns employment for Good Reason, as described below, within one year of the completion of a Change in Control, the executive shall receive an amount equal to twice (2x) the executive's annual base compensation for the last calendar year immediately preceding the Change in Control. This amount will be paid in a lump sum within five days after the effective date of termination of the executive's employment.

A "Change in Control" occurs if, among other things:

(i) any person or group, other than a director serving as such on the date of the severance compensation agreement, acquires (or has acquired during the 12 month period ending on the date of the most recent acquisition) ownership of stock of CVB Financial or Citizens Business Bank possessing more than 50% of the total voting power of CVB Financial or Citizens Business Bank stock;

(ii) majority of the members of CVB Financial's or Citizens Business Bank's directors is replaced during any 12 month period by directors whose appointment or election is not endorsed by a majority of the members of CVB Financial's or Citizens Business Bank's board prior to the date of the appointment or election;

(iii) a merger occurs where the holders of Citizens Business Bank's or the CVB Financial Corp.'s voting stock immediately prior to the effective date of such merger own less than 50% of the voting stock of the entity surviving such merger; or

(iv) any one person or group, acquires (or has acquired during the twelve month period ending on the date of the most recent acquisition by such person or persons) assets from Citizens Business Bank that have a total fair market value greater than 50% of the total fair market value of all of Citizens Business Bank's assets immediately before the acquisition or acquisitions. A transfer of assets will not be treated as a change in the ownership of such assets if the assets are transferred to:

(A) an entity, 50% or more of the total value or voting power of which is owned directly or indirectly by CVB Financial or Citizens Business Bank prior to the acquisition;

(B) a person, or more than one person acting as a group, that owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of CVB Financial or Citizens Business Bank prior to the acquisition; or

(C) an entity, at least 50% of the total value or voting power is owned, directly or indirectly by a person who owns, directly or indirectly, 50% or more of the total value or voting power of all the outstanding stock of Citizens Business Bank prior to the acquisition.

“Good Reason” includes (i) the executive’s then current level of annual base salary or employee benefit coverage is reduced; (ii) the executive suffers a material diminution in, among others, title, authority or responsibilities; or (iii) the executive’s principal business office is relocated by more than fifty miles from its existing location.

In addition, pursuant to the terms of CVB Financial’s 1991 and 2000 Stock Option Plans, upon a reorganization, merger, or consolidation of CVB Financial with one or more corporations as a result of which CVB Financial will not be the surviving or resulting corporation, or a sale of substantially all the assets of CVB Financial to another person, or a reverse merger in which CVB Financial is the surviving corporation but the shares of CVB Financial’s stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, all outstanding options under CVB Financial’s 1991 and 2000 Stock Option Plans, whether vested or not vested, become immediately exercisable.

Report on Executive Compensation

The Report of the Personnel Committee and the Stock Option Committee should not be deemed incorporated by reference into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that we specifically incorporate the information contained in the report by reference.

REPORT OF THE PERSONNEL COMMITTEE AND THE STOCK OPTION COMMITTEE

What is Our Philosophy on Executive Compensation?

We have adopted a basic philosophy and practice of offering a compensation program designed to attract and retain highly qualified employees. Our compensation practices encourage and motivate these individuals to achieve superior performance. This underlying philosophy pertains specifically to executive compensation, as well as employee compensation at all other levels throughout the organization.

There are three principal components of the executive compensation program. They include base salary compensation, bonus compensation (performance compensation) and long-term incentive compensation.

Base Salary

For 2001, we determined the base salary compensation for each of our executive officers. This includes all of the named executives. We predicate the base salary on the executive’s ability, experience and past and potential performance and contribution to CVB

Financial and Citizens Business Bank. The base salary range is based, in part, on our analysis of salary surveys from the California Bankers Association and the Salary Information Retrieval System survey prepared by Organization Resource Counselors, Inc. Furthermore, we establish the base salary so that we will have the ability to increase these base salaries in future years based on the executive's performance.

We will evaluate and adjust the range of each executive's base salary, if appropriate, in subsequent years, based on future salary surveys, comparable salary information and other considerations. Base salary adjustments for each executive will be predicated primarily on performance. We conduct performance evaluations at least annually. We base the evaluations on results achieved. These results are measured against specific performance standards established at the beginning or during the course of the year. For example, specific performance standards include, among other things, deposit growth, loan growth, fee income, expense control, net earnings, return on equity and return on assets.

Bonus

We base bonus compensation on Citizens Business Bank's return on equity and other specific performance criteria. Citizens Business Bank must achieve a minimum return on equity for anyone to be eligible for a bonus. This criterion provided for a minimum return on average equity of 15% for 2001. Citizens Business Bank's actual return on average equity for 2001 was 19.17%. The individual performance objectives and standards relate to specific results where the executive has substantial influence and accountability.

What Kind of Long-Term Incentive Compensation does CVB Financial Offer?

We have two compensation plans that provide long-term incentives for our executive officers. They include a Stock Option Plan and a Profit Sharing Plan.

The 2000 Stock Option Plan aligns the interests of key employees, including the Named Executives, with those of our shareholders. We provide these employees with an incentive to achieve superior performance by granting them long-term options to purchase CVB Financial Common Stock at a fixed exercise price that equals the fair market value of the underlying stock on the date of the grant. The Stock Option Committee administers the Stock Option Plan. This committee has the authority to select the key employees eligible for the stock options and the number of options they will receive. The members of the Stock Option Committee do not utilize any performance goals in determining the number of options to be granted, nor do they consider the number of options previously granted to an executive officer. Rather, the members base the award of stock options on their own analysis of that employee's contribution to CVB Financial, including an assessment of the employee's responsibilities, as well as the employee's commitment to CVB Financial's future. The amount of compensation an optionee may receive pursuant to the option is based solely on an increase in the value of CVB Financial's common stock after the date of the grant or award.

In 2001, the Stock Option Committee did not award any options to our executive officers. The committee believes that stock options granted under the Stock Option Plan qualify for exclusion under Section 162(m) of the Internal Revenue Code, which limits the deductibility of compensation paid to certain executive officers, as performance-based compensation. We believe CVB Financial Corp. should be able to continue to manage its compensation for

executive officers so as to preserve the related income tax deductions, although individual exceptions may occur.

The Profit Sharing Plan primarily provides retirement benefits to all eligible employees, including Named Executives. It also has death and disability features. Employees become eligible upon completing at least one year of service. Annual contributions are made solely by CVB Financial. These contributions are entirely discretionary, and are approved by the Board of Directors based on CVB Financial's earnings and return on equity. For 2001, CVB Financial contributed \$926,914 or 5% of total employee base salary and bonus, to the Profit Sharing Plan. We allocate contributions proportionately to the accounts of plan participants based on their base salaries and bonus. Plan participants become fully vested in these amounts upon reaching seven years of service.

How Do We Compensate Our President and Chief Executive Officer?

Mr. Wiley, the President and Chief Executive Officer of CVB Financial and the Bank, received compensation for his services during 2001 based primarily upon his rights under his employment agreement with CVB Financial and Citizens Business Bank. We discuss this contract under the heading "Employment Agreement with Our President and Chief Executive Officer." Mr. Wiley is also eligible to receive a discretionary annual bonus pursuant to his employment agreement. We base his bonus on specific performance achievements as outlined above for other executive officers as well as other criteria. He received an annual bonus of \$364,390 or 86.75% of base salary, for his services in 2001. This bonus was predicated on return on average equity, deposit growth, loan growth, fee income, turnover and operating efficiency. In addition to the benefits his employment agreement provides, Mr. Wiley is an eligible participant in our Profit Sharing Plan and an eligible participant under our 2000 Stock Option Plan. In 2001, the Stock Option Committee did not award Mr. Wiley, or any of our other executive officers, any stock options. Mr. Wiley did receive a vested allocation of \$13,600 for 2001 under our profit sharing plan. This represents his proportionate share of the aggregate employer contribution authorized by the Board of Directors for 2001.

Compensation Committee Interlocks and Insider Participation

None of the members of the Personnel Committee or the Stock Option Committee during 2001 has ever been an officer or employee of CVB Financial or any of its subsidiaries, except for Mr. Wiley, who is the President and Chief Executive Officer of CVB Financial and Citizens Business Bank and a member of the Personnel Committee. The Personnel Committee made all decisions regarding compensation of executive officers during 2001, other than those related to stock options or the base salary of Mr. Wiley.

Performance Graph

The following graph compares the yearly percentage change in CVB Financial's cumulative total shareholder return (*stock price appreciation plus reinvested dividends*) on Common Stock with (i) the cumulative total return of the American Stock Exchange market index, (ii) the cumulative total return of the Nasdaq National Market; and (iii) a published index comprised by Media General Financial Services, Inc. of banks and bank holding companies in the "Pacific States," which are Alaska, Arizona, California, Hawaii, Montana, Nevada, North Dakota, South Dakota, Oregon, Utah, Washington and Wyoming (the industry group line depicted below). The graph assumes an initial investment of \$100 and reinvestment of dividends. Points on the graph represent the performance as of the last business day of each of the years indicated. The graph is not necessarily indicative of future price performance. We have included both the cumulative total return of the American Stock Exchange and the Nasdaq National Market System. On June 11, 2001, CVB Financial Corp's common stock ceased trading on the American Stock Exchange and began trading on the Nasdaq National Market System on the following business day.

The graph shall not be deemed filed or incorporated by reference into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this graph by reference.

Certain Relationships and Related Transactions

Some of the directors and executive officers of CVB Financial and the companies with which they are associated were customers of, and had banking transactions with, Citizens Business Bank in the ordinary course of its business during 2001, and the Bank expects to have such banking transactions in the future. Citizens Business Bank made all of these loans and commitments on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons of similar creditworthiness. In our opinion, these transactions did not involve more than a normal risk of collectibility or present other unfavorable features.

Did Directors and Officers Comply with Their Section 16(a) Beneficial Ownership Reporting Compliance Requirements in 2001?

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than ten percent of CVB Financial's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC") and the Nasdaq Market System. The SEC requires executive officers, directors and greater than ten-percent shareholders to furnish to us copies of all Section 16(a) forms they file.

Based solely on our review of these reports and of certifications furnished to us, we believe that during the fiscal year ended December 31, 2001 all executive officers, directors and greater than ten-percent beneficial owners complied with all applicable Section 16(a) filing requirements, except for Jay Coleman who filed one Form 4 late relating to one sale of CVB Financial common stock in September, 2001, and Edward Biebrich who filed one Form 5 late relating to three (3) purchases of our stock under an individual dividend reinvestment plan.

THE BOARD RECOMMENDS A VOTE "FOR" ALL SEVEN NOMINEES FOR DIRECTOR.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

We have appointed Deloitte & Touche as independent public accountants for the year ending December 31, 2002. The Audit Committee recommended the appointment of Deloitte & Touche to the Board. Deloitte & Touche, who performed our audit services in 2001, including an examination of the consolidated financial statements and services related to filings with the Securities and Exchange Commission, has served as our accountants since 1986. Deloitte & Touche performed all of its services in 2001 at customary rates and terms.

Independent Auditors

Fees

The following table sets forth the aggregate fees CVB Financial Corp. incurred for audit and non-audit services provided by Deloitte & Touche, LLP, who acted as our independent auditors for the fiscal year ending 2001. The table lists audit fees, financial information systems design and implementation fees, and other fees.

	December 31, 2001
Audit Fees	\$ 116,000
Financial Information Systems Design and Implementation Fees	\$ 0
Other Fees (including internal audit fees, employee benefit, audit and asset management fees)	\$ 190,622

The Audit Committee has considered whether the provision of financial information systems design and implementation services and other non-audit services is compatible with maintaining the independence of Deloitte & Touche, LLP.

Representatives of Deloitte & Touche will be present at the meeting. They will be available to respond to your appropriate questions and will be able to make such statements as they desire. If you do not ratify the selection of independent accountants, the Audit Committee and the Board will reconsider the appointment. However, even if you ratify the selection, the Board may still appoint new independent accountants at any time during the year if it believes that such a change would be in the best interests of CVB Financial and our shareholders.
